

Shouldn't Have To Wait

[Ryan Leslie](#)

R. Les

Listen[Verse 1]

It was just infatuation (yeah)

And I know I should've said so (oh)

Cause you gave up your relations (yeah)

So that you could have me for yours[Bridge]

Boo, after quite some time

You got restless babe

Said you wanted more, from me (lemme talk about it)

I didn't know what to do

I just turned away

When you looked me in the eyes and say[Chorus]

This is crazy!

I shouldn't have to wait (that's what you told me)

I shouldn't have to wait for you

I shouldn't have to wait for your love (no, no, no)

Baby save it!

I shouldn't have to wait

I shouldn't have to wait for you

I shouldn't have to wait for your love[Verse 2]

Couldn't see what I was losing (yeah)

When I said I couldn't stay, that night (uh)

And it must have been confusing (yeah)

Can imagine what was on your mind

When you begin to cry[Bridge]This is crazy!

I shouldn't have to wait (baby)

I shouldn't have to wait for you (I shouldn't have to wait for you)

I shouldn't have to wait for your love (lo-lo love)

Baby save it! (baby)

I shouldn't have to wait (I shouldn't have to wait)

I shouldn't have to wait for you (shouldn't have to wait for your love)

I shouldn't have to wait for your love (lo-lo love)(Woo!)Oh, I'm not tryna' be tough

I know what you need

And I know I'm not the one

Baby trust me (I know I'm not the one)

To take good care of you

(I know) it's gotta be rough

Said, I know it tears you up inside

Knowing I can't

Give you what you need
And I know its crazy This is crazy!
I shouldn't have to wait (no I shouldn't have to wait)
I shouldn't have to wait for you (baby)
I shouldn't have to wait for your love
(shouldn't have to wait for love, yeah)
Baby save it!
I shouldn't have to wait (oh, yeah)
I shouldn't have to wait for you (for your love)
I shouldn't have to wait for your love
(I don't wanna wait for your love) This is crazy!
I shouldn't have to wait (no baby)
I shouldn't have to wait for you (tell me why you make me wait)
