

Positively 4th Street

Stereophonics

You got a lotta nerve
To say you are my friend
When I was down
You just stood there grinning You got a lotta nerve
To say you got a hand to lend
You just wanna be
On the side that's winning You say I let you down
You know it's not like that
If you're so hurt
Why then don't you show it? You say you lost your faith
But that's not where it's at
You had no faith to lose
And you know it I know the reason
That you talk behind my back
I used to be among the crowd
You're in with Do you take me for such a fool
Think I'd make contact?
With the one who tries to hide
What he don't know to begin with I wish that for just one time
You could stand inside my shoes
And just for that one moment
I could be you Yes, I wish that for just one time
You could stand inside my shoes
You'd know what a drag it is
To see you
