Lost Again

Colin James

She walked in all dressed in roses
Italian shades and a book of poets
Words spilled out and filled the room
Like candyWe were wild with nothin' to lose
We raved on from black to blue
But the sun came up and you had gone away
You had gone awayHey, what do ya say
Let's get lost again
Like we did back then
Hey, what do you say
Do you remember when
Let's get lost again
Lost againUp and down on Williams street
I walked the floor while the neighbors sleep
And the skyline stays the same
But something inside has changedEasy riders lost insiders
Looking for a star to guide us
It's the price you pay
It never shines that way
Never shines that wayWhen there's nothin' left to lose
And you just keep dreamin' on
And you just keep dreamin' on
