Hateful

The Clash

Well, I got a friend who's a man What man?

The man who keeps me from the lonely, the only

He gives me what I need

What you need? What you got?

I need it all so badlyOh, anything I want he gives it to me

Anything I want he gives it, but not for free

It's hateful

And it's paid for and I'm so grateful to be nowhere This year I've lost some friends

Some friends? What friends?

I dunno, I ain't even noticedYou see, I gotta go out again

Again? My friend

I gotta see the main manOh, anything I want he gives it to me

Anything I want he gives it, but not for free

It's hateful

And it's paid for and I'm so grateful to be nowhereOh, anything I want he gives it to me Anything I want he gives it, but not for free

It's hateful

And it's paid for and I'm so grateful to be nowhereI killed all my nerves

My nerves? What swerves?

And I can't drive so steady, and alreadyI've lost my memory

My mind? Behind!

I can't see so clearlyOh, anything I want he gives it to me

Anything I want he gives it, but not for free

Anything I want, anything I want, anything I want, anything I want, anything I want
