

Nobody Asked Me (If I Was Okay)

Sky Ferreira

Never thought I could love like this
I want to feel your kiss
So many words on the tip of my tongue
So many things that you should have done
Now it hurts that I want you to stay
Nobody asked me if I was okay
In 6 seconds I can tell you need to go
Every day people talking something I don't know
Yea, nobody asked me what I wanted
Nobody asked me I tried to ask you
But nobody asked me
I tried to ask you
But nobody asked me
If I was okay
Nobody asked me
Nobody asked me if I was okay!
No no no no no no
Nobody asked if I was okay
Shaking your head, I tried to explain
You said you don't want it and you can take it
Just tryin to get my point across
You take care if I'm feeling lost
Now it hurts that I want you to stay
I can't understand why I feel this way
All the friends I ever had to let go
Every day I hear them saying something else I don't know
Yea, nobody asked me what I wanted
Nobody asked me I tried to ask you
But nobody asked me
I tried to ask you
But nobody asked me
If I was okay
Nobody asked me
Nobody asked me if I was okay!
No no no no no no
Nobody asked if I was okay
I hear a siren
Guarding me closer
I hear its echo
Over and over I tried to ask you
I tried to ask you
I tried to ask when
Nobody asked
I tried to ask you
But nobody asked me
I tried to ask you

But nobody asked me If I was okay
Nobody asked me, nobody asked me
If I was okay
Nobody asked me Nobody asked me if I was okay!
No no no no no no
Nobody asked if I was okay
