Going Home

Chief Keef

I was busy slidin' in the 918 (skrrt)
Baby momma text me at 5: 18 (yah)
Bad bitch text me at 6: 16 (bitch)
'Bout 7 A.M. she was neckin' me
Why she send these kissy face emojis to my phone? (huh?)
She diggin' hard on the nigga 'cause I'm goin' strong
She don't wanna smoke because what I smoke is strong
I'm in it all night, don't know when she goin' homeShe gon' slob on my knob like a corn on the cob
But we can't go out in public, there's paparazzi to dodge
As I'm droppin' the top, told her shoot for the stars
I know she gon' love me because every woman does
As I slide in that water she get wet like a slide
No I cannot stop her, she gon' go like a ride
Keep that thing clean, it be smellin' like some Tide
But no I cannot wife her so it's lookin' like divide
She noticed me in the strip club throwin' racks
It was me and the gang, we was lookin' like a tribe
When she came to the crib it was lookin' like a vibe
Shawty got that head on her that I can't describe
I was busy slidin' in the 918 (skrrt)
Baby momma text me at 5: 18 (yah)
Bad bitch text me at 6: 16 (bitch)
'Bout 7 A.M. she was neckin' me
Why she send these kissy face emojis to my phone? (huh?)
She diggin' hard on the nigga 'cause I'm goin' strong
She don't wanna smoke because what I smoke is strong
I'm in it all night, don't know when she goin' homeShawty gettin' free feels, put her hands on my wheel
But I can't really trust her, got my hands on the steel (bang)
I go in for the kill, rollin' like a ferris wheel
She get wetter than a ship, shawty got that Navy Seal
She was talkin' all tough, but I got her walkin' stiff
We had a bet that if I hit it good, she would make me meals
You would think it's homocide how I hit her with the steel
All this energy it took, I should hit her with a bill
She really want it all so I hit her with a lil'
Yeah she say she want some more, say that's all I got to give
No relationship, a friendzone is all I got to build
When it come to catchin' bodies, girl I got a lot of killsI was busy slidin' in the 918 (skrrt)
