

Boogieman

2nen Bladez

I'm yo Boogie man
And
We gonna Boogie down
Then
I'm gonna take you home
And
We gonna fool around
Now
(2x)

I'm yo Boogie
I'm yo Boogie

I'm yo
I'm yo
I'm yo

I'm yo Boogie
I'm yo Boogie

I'm yo
I'm yo
I'm yo
Im yo Boogie

Get down on yo knees
Cuz it's time for me to tease
Come on baby beg me please
Won't you mercy, mercy me
(2x)

I'm yo Boogie
I'm yo Boogie

I'm yo
I'm yo
I'm yo

I'm yo Boogie

I'm yo Boogie

I'm yo
I'm yo
I'm yo
Im yo Boogie

I'm yo one desire
Yo number one satifiya
The one that's gonna take you higher
Yo sexual messiah
(2x)

Come on Imma make you blind now
When I tie you up you bow down
Lick my boots you bastar
Learn to serve yo master

Come on imma make you blind
Now
Now!
Now!

We gone Boogie down
We gone Boogie down
We gone Boogie down
We gone Boogie

We gone Boogie down
We gone Boogie down
We gone Boogie down
We gone Boogie

We gone Boogie down
We gone Boogie down
We gone Boogie down
We gone Boogie

Boogie down
Boogie Down
