

# Sail To The Sun

## Wavves

I don't wanna, get left behind  
So I tell you what I'm gonna do to get by  
I'm gonna pick you up in my arms, give you all of my love  
Soon we'll never find mine  
First we gotta get high And sail to the sun, chances are none  
Oh, but we'll all die, that's just the way we live  
Uhu, uhu, uhu, uhu, uhu, uhu I don't wanna, get left behind  
So I tell you what I'm gonna do to get by  
I'm gonna pick you up in my arms, give you all of my love  
Soon we'll never find mine  
First we gotta get high And sail to the sun, chances are none  
Oh, but we'll all die, that's just the way we live  
In a grave, in a grave, in a grave  
In a grave, in a grave
