

As Tears Fall

The Samples

If you need water
I'm your rain
If you need fire
I'm your flameIf you're resisting
To go or stay
Let all the angels
Take you awayI will carry you to the end
When life is broken
All will mendIf where I'm walking
Isn't far enough
Then I'll walk farther
I'll walk fartherIf you need water
(I'm your rain)
I'm your rainIf you need fire
(I'm your flame)
I'm your flameI hope our children
Remember this goodWe threw those ashes
And there we stood
And there we stoodAs tears fall
Off our faces
As tears fall
Off our faces
Off our facesOff our faces
As tears fall
Off our faces
As tears fall
Off our faces
