

Wait On Time

The Fabulous Thunderbirds

Well, I don't live like a king and I don't drive a big car
The gypsy woman was right when she said I would go far
Just wait on time baby, I'll be there someday
Yeah and until I get there baby, all I can do is hope and pray
Well, you say you'll stick with me, baby
Stick with me through thick and thin
I know someday baby, my bad luck has got to end
Just wait on me baby, I'll be there someday
Yeah and until I get there baby, all I can do is hope and pray
Well, you say you'll stick with me, baby
Stick with me through thick and thin
I know someday baby, my bad luck has got to end
Just wait on me baby, I'll be there someday
Yeah and until I get there baby, all I can do is hope and pray
Well, I live the life I love and I love the life I live
The life I lead baby, is all I have to give
Just wait on me baby, I'll be there someday
Yeah and until I get there baby, all I can do is hope and pray
Yeah, you just got to wait on time, baby
Yeah, just wait on time now, baby
Yeah, yeah, be good to me baby
Because until I get there baby, all I can do is hope and pray
