

Madness Opus

Revocation

It beckons to me, a being of immense and terrifying power
A portal to a dimension of chaos lies just beyond my window
 Hungrily it feeds, eagerly swallowing souls of thousands

I prepare this first movement to combat the unknown
 No one must know my secret
 I'll take a life to keep it

I cannot rest until this vile demon is defeated
 My nightly ritual
 A captivated minstrel

This is the madness in which I dwell
 Curtains drawn, candles lit, contorted shadows cast
Staring into the maw of the void, where infernal incisors endlessly gnash
 A blasphemous sonata echoes
 throughout the halls

Reverberations in the inter-dimensional gateway
 The abomination demands an encore

A rhapsodist to this galactic titan enslaved
 No one must know my secret
 I'll take a life to keep it

I cannot rest until this vile demon is defeated
 My nightly ritual
 A captivated minstrel

This is the madness in which I dwell
 Curtains drawn, candles lit, contorted shadows cast
Staring into the maw of the void, where infernal incisors endlessly gnash
 Curtains drawn, candles lit, contorted
 shadows cast

Staring into the maw of the void, where infernal incisors endlessly gnash
 Cosmic horror beyond infinite time
 Entranced by the melodies perverted and sublime
 A caprice for the beast
 An amorphous entity's malign lullaby
