

Crush On You

Nero

How did you know if I never told
You found out
I've got a crush on you
No more charades
My heart's been displayed
You found out
I've got a crush on youHow did you know if i never told
You found out
I've got a crush on you
No more charades
My heart's been displayed
You found out
I've got a crush (crush [x3])How did you know if I never told
You found out
I've got a crush on you
No more charades
My heart's been displayed
You found out
I've got a crush on youHow did you know if I never told
You found out
I've got a crush on you
No more charades
My heart's been displayed
You found out
I've got a crush (crush [x3])How did you-
You found out-
How did you-
You found out-
I've got a crush on youHow did you- [x2]
I've got a crush (crush [x3])How did you know if I never told
You found out
I've got a crush on you
No more charades
My heart's been displayed
You found out
I've got a crush on youHow did you know if I never told
You found out,
I've got a crush on you
No more charades,

My hearts been displayed,
You found out,
Ive got a crush on youHow did you know if I never told
You found out,
Ive got a crush on you
No more charades,
My hearts been displayed,
You found out,
Ive got a crush on youYou must have heard it
From my best friend
Shes always talkin when she should be listenin
Cant keep a secret
To save her life
But still I trusted her with all I felt inside
I never knew, a rumor could spread so fast
(cause now the) Word is out!
All over town
That Im longing for youHow did you-
You found out-
How did you-
You found out-
I've got a crush on youHow did you- [x2]
I've got a crush (crush [x3])How did you know if I never told
You found out,
Ive got a crush on you
No more charades,
My hearts been displayed,
You found out,
Ive got a crush on you
