Memphis Soul Stew (Single Version)

King Curtis

Today's special is Memphis Soul Stew
We sell so much of this, people wonder what we put in it
We gonna tell you right now
Give me about a half a teacup of bassNow I need a pound of fatback drumsNow give me four tablespoons of boiling Memphis guitars
This goin' taste alrightNow just a little pinch of organNow give me a half a pint of hornPlace on the burner and bring to a boil
That's it, that's it, that's it right there.
Now beat, well.
