Do I know her like a pastor know his wordWe messing with the same girl same girl
How could the love of my life, and my potential wife be the
Same girl same girl
Man I can't believe that we've been messing with the
Same girl same girl
Thought she someone that I can trust
But she's been doubling up with us
You can't, man we've been messing with the same girlSee I met her at this party in Atlanta
Well I met her at this party in Chicago
She came right up to me given me conversation
I said do you got a man she said no, with no hesitation
Well it must be a music thing cause she said the same to me
At a party all in my face, when I'm laughin' and buyin' her drinksShe whispered in my ear and said can you

take me home
Me too
Man she was in the chi singin' that same song
Is that true
And I thought it was true confession when she said
I love you
Man I thought her body was calling when she said
I want you
Look I even got some pictures on my phone
Look at there, there she is with some boy shorts onWe messing with the same girl same girl
How could the love of my life, and my potential wife be the
Same girl same girl
Man I can't believe that we've been messing with the
Same girl same girl
Thought she someone that I can trust
But she's been doubling up with us
You can't, man we've been messing with the same girlShe said she got me on her ring tone
Are you talking about the pink phone
Mm the blue one
Man she told me that was turned off
Its obvious that shes been playing us playing us
Or constantly she's been lyin' to us lyin' to us
Don't like the way that she's been goin' 'bout it goin' 'bout it
Kellz what do you think we should do about it do about it
Call her up at her home, she won?t know that I'm on the phone
Yeah man that's a way
Homie we about to bust this trick
Man just ask her to meet up with you and I'm gonna show up too
And then she won't know what to do
We'll be standing there singingWe messing with the same girl same girl
How could the love of my life, and my potential wife be the
Same girl same girl
Man I can't believe that we've been messing with the
Same girl same girl
Thought she someone that I can trust
But she's been doubling up with us
You can't, man we've been messing with the same girlSee she was taken flights going back and forth
I would pick her up at the Airport
Man I really can't believe the
Same girl same girl
