Love to lift You up
Love to lift You up Count them, every one
All of the million things You've done
You are the Lord of my life And I roll them over and over
In my head, in my head
But I don't understand
But I'm glad You're in my life And I lift You up so high
I forget about the world I'm living in
Lay it at Your feet, I'm giving in
My joy inside, I cannot hide
Love to lift You up, oh yeah Lord, I love You
You're a father's hand at night
You're the sunshine in the day And I long to be with You all my days
In old age if I'm still hanging around
I'll be found around with You, oh yeah
With You And I lift You up so high
I forget about the world I'm living in
Lay it at Your feet, I'm giving in
My joy inside, I cannot hide
I love to lift You up, lift You up
Lift You up, yeah So high, so high
Lift You up, lift You up
And I lift, lift You up so high And I lift You up so high
I forget about the world I'm living in
Lay it at Your feet, I'm giving in And I lift You up so high
I forget about the world I'm living in
Lay it at Your feet, I'm giving in
I love to lift You up
