It Was So Easy

Carly Simon

I remember a time, rompin' through the woods
Sun against our skin instead of clothes
When we felt hungry we would eat
When we felt glad we would dance
And whenever we felt drowsy we would dozeIt was so easy then
Never takin' any stands
It was so easy then
Holdin' handsI remember a time when our fears could be named
And courage meant not refusing dares
I remember when we took such cares to step never on the cracks
No only on the squares or else we'd be abducted by the bearsIt was so easy then
Never makin' any plans
It was so easy then
Holdin' handsIt was so easy then
Never makin' any plans
It was so easy then
Holdin' handsAnd now we are grown with debts and regrets
And broken hearts and sentimental schemes
Now every tender failure seems to overthrow old dreams
Love can drive a normal woman to extremesIt was so easy once
Holdin' hands without a plan
It was so easy once
Holdin' hands
Just holdin' hands
