

# Crystal Chandeliers

**Billie Jo Spears**

Oh, the crystal chandeliers light up the paintings on your walls

The marble statuettes are standing stately in the hall

But will the timely crowd that has you laughing loud

Help you dry your tears

When the new wears off of your crystal chandeliers? I never did fit in to well with the folks you knew

And it's plain to see that the like's of me, don't fit with you

So you traded me for the gaiety of well to do

And you turned away from the love I offered you Oh, the crystal chandeliers light up the paintings on your walls

The marble statuettes are standing stately in the hall

But will the timely crowd that has you laughing loud

Help you dry your tears

When the new wears off of your crystal chandeliers? I see your picture in the news most every day

You're the chosen girl of the social world, so the stories say

But a paper smile only lasts a while then it fades away

And the love we knew will come home to you someday Oh, the crystal chandeliers light up the paintings on your walls

The marble statuettes are standing stately in the hall

But will the timely crowd that has you laughing loud

Help you dry your tears

When the new wears off of your crystal chandeliers?

When the new wears off of your crystal chandeliers?
