

Girls Night Out

Marc Shaiman

I used to dance the night away
(higher tone) I used to dance the night away
I used to take it day by day
(higher tone) I used to take it day by day
soon all the things I want to do/do all the things I wanna do
(echoing) you know the things i wanna do/do all the things I wanna do
so I fell in love with you
fell in love with you
love
I lost my sane(?) tonight
and I don't know where I am going
love
baby please turn on the light
'cause I (?)don't know(?) where I am going
love love
(instrumental)
I used to dance the night away
(higher tone) I used to dance the night away
I used to take it day by day
(higher tone) I used to take it day by day
soon all the things I wanna to do/do all the things I wanna do
(echoing) you know the things I wanna do/do all the things I wanna do
so I fell in love with you
fell in love with you
love
I lost my sane(?) tonight
and I don't know where i am going
love
baby please turn on the light(?)
'cause there is no way of knowing
(?)if I choose to believe in love(?)
they say all the love is free/fair(?)/They say all in love is fair
better take it or leave it
feel my hearth is still beating(?)
