

I've Got That Old Feeling

The Cox Family

No matter what I say or do
I just can't seem to get inside your heart
What have I done wrong?
Lately you're so far away
You just don't seem to hold me like you used to
Something's going on I've got that old feeling, you're leaving
I'm so tired of goodbye
I can't wait on your love forever
While you change your mind Morning finds us face to face
I feel you staring through me while I'm talking
What's come over you?
Familiar looks I recognize, the same old looks that said goodbye the last time
Something I'm used to I've got that old feeling, you're leaving
I'm so tired of goodbyes
I can't wait on your love forever
While you change your mind Guess I'm good at losing you
After all, you let me down so easy
Why did you lead me on?
I hope this time you've found someone
'Cause there won't be a next time when you're lonesome I've got that old feeling, you're leaving
I'm so tired of goodbyes
I can't wait on your love forever
While you change your mind
