Ride Until the Sun

Justice Crew

Lonely hearts and highways,
I'm driving at the same pace
Don't slow down while we're still young
Broken lights and concrete, are frozen under our feet
Let's fill them in while we're still young
We were born two and I
Want you by my side, chasing ParadiseTonight, let's drive (hey!)
Tonight, let's run (hey!)
Tonight let's RIDE UNTIL THE SUN
I'll take the wheel (hey!), you my shotgun (hey!)
Tonight we'll RIDE UNTIL THE SUN
And it's only just begun
(Ride with me!)
Stars upon the ceiling, you always dream believing
Let's break out while we're still young
Roll rough until the sunset, catch fire
Never look back,
Let's burnout while we're still young
We were born two and I
Want you by my side, chasing ParadiseTonight, let's drive (hey!)
Tonight, let's run (hey!)
Tonight let's RIDE UNTIL THE SUN
I'll take the wheel (hey!), you my shotgun (hey!)
Tonight we'll RIDE UNTIL THE SUN
And it's only just begun
(Ride with me!)
Yeah, 85 we're 101
Yeah, baby we gon' ride until the sun
We've got the world up in our rearview and
we ain't looking back
Our heart racing like the hit and run
So, come and hop in my car
We'll drive until the stars
There's just me and you, and this guitar
Baby you can take the wheel
Don't you worry 'bout a thing
While I sip, you singTonight, let's drive (hey!)
Tonight, let's run (hey!)
Tonight let's RIDE UNTIL THE SUN

I'll take the wheel (hey!), you my shotgun (hey!)
Tonight we'll RIDE UNTIL THE SUN
Tonight, let's drive (hey!)
Tonight, let's run (hey!)
Tonight let's RIDE UNTIL THE SUN
I'll take the wheel (hey!), you my shotgun (hey!)
Tonight we'll RIDE UNTIL THE SUN
And it's only just begun
(Ride with me!)
