

'Till I Collapse

Eminem

(Go left, go left, go left right left)
'Cause sometimes you just feel tired
You feel weak and when you feel weak
(Go left, go left, go left right left)
You feel like you wanna just give up
But you gotta search within you
(Go left, go left, go left right left)
You gotta find that inner strength
And just pull that shit out of you
And get that motivation to not give up
(Go left, go left, go left right left)
And not be a quitter

No matter how bad you wanna just fall flat on your face and collapse
Till I collapse I'm spillin' these raps long
as you feel 'em

Till the day that I drop you'll never say that I'm not killin' them
'Cause when I am not then I am stop pinnin' them
And I am not hip hop and I'm just not Eminem
Subliminal thoughts when I'm stop sendin' them
Women are caught in webs, spin and hawk venom
Adrenaline shots of Penicillin could not get the illin' to stop
Amoxicilin is just not real enough
The criminal cop killin' hip hop fillin' minimal swap
To cop millions of pac listeners

Your comin' with me, feel it or not you're gonna fear it
Like I showed you the spirit of God lives in us
You hear it a lot, lyrics the shock is it a miracle
Or am I just a product of pop fizzin' up
For shizzle my whizzle this is the plot listen up
You pizzles forgot slizzle does not give a fuck
Till the roof comes off, till the lights go out
Till my legs give out, can't shut my mouth
Till the smoke clears out, am i high? perhaps
I'ma rip this shit till my bone collapse
(Until the roof, until the roof)
Till the roof comes off, till the lights go out
(The roof comes off, the roof comes off)
Till my legs give out, can't shut my mouth
(Until my legs, until my legs)
Till the smoke clears out, am i high? perhaps
(Give out from underneath me)

I'ma rip this shit till my bone collapse Music is like magic there's a certain feelin' you get

When your real and you spit and people are feelin' your shit

This is your moment and every sin'le minute you spend

Tryin' to hold onto it 'cause you may never get it again

So while you're in it try to get as much shit as you can

And when your run is over just admit when its at its end

'Cause I'm at the end of my wits with half this shit that gets in

I got a list here's the order of my list that it's in

It goes, Reggie, Jay-Z, Tupac and Biggie

Andre from Outkast, Jada, Kurupt, Nas and then me

But in this industry I'm the cause of a lot of envy

So when I'm not put on this list the shit does not offend me

That's why you see me walk around like nothin's botherin' me

Even though half you people got a fuckin' problem with me

You hate it but you know respect you've got to give me

The presses wet dream like Bobby and Whitney Nate hit me Till the roof comes off, till the lights go out

Till my legs give out, can't shut my mouth

Till the smoke clears out, am i high? perhaps

I'ma rip this shit till my bone collapse

(Until the roof, until the roof)

Till the roof comes off, till the lights go out

(The roof comes off, the roof comes off)

Till my legs give out, can't shut my mouth

(Until my legs, until my legs)

Till the smoke clears out, am i high? perhaps

(Give out from underneath me)

I'ma rip this shit till my bone collapse Soon as a verse starts, I eat it at MC's heart

What is he thinkin'? I'ma not to go against me, smart

And its absurd how people hang on every word

I'll probably never get the props I feel I ever deserve

But I'll never be served my spot is forever reserved

If I ever leave earth that would be the death of me first

'Cause in my heart of hearts I know nothin' could ever be worse

That's why I'm clever when I put together every verse

My thoughts are sporadic, I act like I'm an addict

I rap like I'm addicted to smack like I'm Kim Mathers

But I don't want to go forth and back in constant battles

The fact is I would rather sit back and bump some rappers

So this is like a full blown attack I'm launchin' at them

The track is on some battlin' raps who want some static

'Cause I don't really think that the fact that I'm Slim matters

A plaque of platinum status is whack if I'm not the baddest Till the roof comes off, till the lights go out

Till my legs give out, can't shut my mouth

Till the smoke clears out, am i high? perhaps

I'ma rip this shit till my bone collapse

(Until the roof, until the roof)
Till the roof comes off, till the lights go out
(The roof comes off, the roof comes off)
Till my legs give out, can't shut my mouth
(Until my legs, until my legs)
Till the smoke clears out, am i high? perhaps
(Give out from underneath me)
I'ma rip this shit till my bone collapse (Until the roof)
Until the roof
(The roof comes off)
The roof comes off
(Until my legs)
Until my legs
(Give out from)
Underneath me
I will not fall
I will stand tall
Feels like no one could beat me
