New Reasons

Le'Andria Johnson

Farewell my friend
I'm leaving you,
Found me another lover,
That treats me better than you.
Now you got no one to cheat on,
As if I let you,
He's here forever
While you're just passing through.Chorus- 2x
Now I'm not... gonna cry,
Cause you give me New Reason,
To stay aliveAll the stuff I've taken,
All things I've been through,
Just when you think it didn't matter,
I saw the power in you.
You know His name,
He's first in my life.
I've been doing it lately,
I'm Praisng His name.Chorus- 2x
Now I'm not... gonna cry,
Cause you give me New Reason,
To stay aliveDon't be afraid, to praise Him,
He's the first man, I can turn to,
And he will tell, me everything...
Yes I've made mistakes, in my life.
Yes I did, and I know it,
Now I can tell it to Him,
Any day, any night.Chorus- 2x
Now I'm not... gonna cry,
Cause you give me New Reason,
To stay alive
