

# You Were Right (Beauvois Cover)

## Rufus

You were right  
I know I can't get enough of you  
Leave it all to bloom  
You were right  
I don't know I can't get enough of you, no  
The things that I would do Under the water, I'm sinking further down  
Floating, I'm nothing, I'm nothing  
Arms are wide open, I'm calling out your name  
Sitting and waiting, I'm waiting You were right  
I know I can't get enough of you  
You were right  
I don't know I can't get enough of you  
Leave it all to bloom You were right  
I don't know I can't get enough of you, no  
The things that I would do I'm cold in the river  
Lips moving, there's no sound  
Pulling me under, I'm under You've given me nothing  
Keep telling me I'll be fine  
Keeping me kissing, out guessing You were right You were right  
I know I can't get enough of you  
You were right  
I don't know I can't get enough of you You were right  
I know I can't get enough of you  
Leave it all to bloom  
You were right  
I don't know I can't get enough of you, no  
The things that I would do
