

Over You

Daughtry

Now that it's all said and done, I can't believe you were the one
To build me up and tear me down like an old abandoned house
What you said when you left, just left me cold and out of breath
I felt if I was in way to deep, guess I let you get the best of me
Well, I never saw it coming, I should have started running
A long, long time ago
And I never thought I'd doubt you, I'm better off without you
More than you, more than you know
I'm slowly getting closure, I guess it's really over
I'm finally getting better
And now I'm picking up the pieces, spending all of these years
Putting my heart back together
'Cause the day I thought I'd never get through
I got over you
You took a hammer to these walls, dragged the memories down the hall
Packed your bags and walked away, there was nothing I could say
And when you slammed the front door shut, a lot of others opened up
So did my eyes so I could see that you never were the best for me
Well, I never saw it coming, I should have started running
A long, long time ago
And I never thought I'd doubt you, I'm better off without you
More than you, more than you know
I'm slowly getting closure, I guess it's really over

I'm finally getting better
And now I'm picking up the pieces, spending all of these years
Putting my heart back together
'Cause the day I thought I'd never get through
I got over you
Well, I never saw it coming, I should have started running
A long, long time ago
And I never thought I'd doubt you, I'm better off without you
More than you, more than you know
Well, I never saw it coming, I should have started running
A long, long time ago
And I never thought I'd doubt you, I'm better off without you
More than you, more than you know
I'm slowly getting closure, I guess it's really over
I'm finally getting better

And ow I?m picking up the pieces, spending all of these years
Putting my heart back together
Well, I'm putting my heart back together
'Cause I got over you and I got over you
And I got over you
'Cause the day I thought I?d never get through
I got over you
