

Pave a New Road (BDub Mix)

[Eric Roberson](#)

Pave a new road for, for us.
Pave a new road for, for us. Kids are living life like, it's an arcade game.
Kids are living life like, there's not any pain.
You can't drop a quarter in and start your life again.
There is a better way...Pave a new road for, for us.
Pave a new road for, for us. So much is dying, sometimes..?
So much is dying, even kids...?
Some make it home but, but their souls are lost.
Lord help us find a better way. Pave a new road for, for us.
Pave a new road for, for us. Money is the strongest, strongest drug 'round.
Money is the strongest, it will take you down.
Don't let it replace your God or your crown.
There is a better way...Pave a new road for, for us.
Pave a new road for, for us.
Pave a new road for, for us.
Pave a new road for, for us.
