Don't Stop

Brian Mcknight

(Verse)
Your eyes, like an ocean to explore
Your lips, keep me wanting more
Your thighs, I can?t wait to get between
So when I give it you, give it right back to me
(Chorus)
Don?t stop moving
Don?t stop grooving with me
Don?t stop moving
Don?t stop grooving with me
(Verse)
You?re sick, it?s driving me insane
Your body put an hourglass to shame
To my eyes baby girl you?re astounding
Girl I put my loving where out so you can see me coming
(Chorus)
Don?t stop moving
Don?t stop grooving with me
Don?t stop moving
Don?t stop grooving with me

(Verse)
Girl you hold on to your love, hold on to your love
I ain?t giving all today
And then give me all your love
Like you?re sent from up above
I can even hardly wait
(Verse)
Baby girl I am your mate, get down on my knees
Rub you when you say me so
So you tell me that it?s mine
Day and every night
Then I?ll love you more than move
(Chorus x2)
Don?t stop moving
Don?t stop grooving with me
Don?t stop moving
Don?t stop grooving with me
Stop?

Don?t stop?
Don?t?
