The Way We Live

Sammy Hagar

I work hard for the money
Wish I didn't have to work at all
Sacrifice some things
Can't live without another
But we going to Cabo in the fall
And get my feet way up high off the ground
Let my hair hang on down
When we party, we wanna party
When we chill, we gotta chill
We beach all day, then we dance all night
Then if I can get me some, I will
Yeah 'cuz that's the way we live
Live it up
Live it up
We don't like sleeping on the sidewalk
Don't like standing in the lines
But we do what we do 'cuz we gotta do
What we wanna do when we wanna do it
Each and every time
Keep our sights way up high
Kiss your trouble goodbye
And when we party, we wanna party
When we chill, we gotta chill
Beach all day and then we dance all night
Hey and if I can get me some, I will
Yeah 'cuz that's the way we live
Best years of our lives
(Oh, that's the way we're gonna live)
Next half of our lives
(I wanna live, I wanna live)
Best years of our lives
(Oh, that's the way we live our lives)
Next half of our lives
(Yeah, that's the way we live)
Live it up
Live it up
Live it up
Live it up
Live it up

Live it up
Live it up
Live it up
Get down on the beach
Get down on the beach
Get down on the beach
Get down on the beach
Listen up
Get down on the beach
(We getting down on the beach)
Get down on the beach
Everybody, get down on the beach
(Yeah, we got down on the beach)
Get down on the beach
Live it up
Live it up
Here we go
Live it up
Live it up
Live it up
Come on 'cuz when we party
We wanna party
Beach all day and we dance all night
And if I can get me some, I will
That's the way we live
Best years of our lives
(That's the way we're gonna live)
Next half of our lives
(Well, that's the way we live)
Best years of our lives
(Hey that's the way we're gonna live)
Gonna live, gonna live
We gonna live our lives
Best years of our lives
(Live it up, live it up)
Next half of our lives
Best years of our lives
Next half of our lives
(We're gonna live our lives
Best years of our lives
(Come on now, come on now)
(Live it up, live it up, live it up)
Next half of our lives
(Live it up, live it up, live it up)
Best years of our lives
