

# When I Get There

[Kirk Franklin](#)

The sun will shine, my heart shall sing  
One thought of You Jesus, what joy it brings  
My soul can't wait to see Your face  
And I'll bless Your name Jesus, when I get there You'll wipe my tears, You'll say well done  
You'll hold me close and tell me I've overcome  
And You will exchange joy for my pain  
And I'll bless Your name Jesus, when I get there Come on let's go, will cry, no I won't  
We're gonna be just like Jesus, when we get there  
Come on, hold on, it won't be long  
We're gonna be just like Jesus, when we get there The sun will shine, my heart shall sing  
One thought of You Jesus, what joy it brings  
My soul can't wait to see Your face  
And I'll bless Your name Jesus, when I get there You'll wipe my tears, You'll say well done  
You'll hold me close and tell me I've overcome  
And You will exchange joy for my pain  
And I'll praise Your name Jesus, when we get there Come on let's go, we'll cry no I won't  
We're gonna be just like Jesus, when we get there  
Come on hold on, it won't be long  
We're gonna be just like Jesus, when we get there No more feeling alone, when all my fear is all gone  
You tell me it won't be long, when You call my name  
We shall be changed, come on Come on let's go, will cry, no I won't  
We're gonna be just like Jesus, when we get there  
Come on, hold on, it won't be long  
We're gonna be just like Jesus, when we get there No more feeling alone, when all my fear is all gone  
You tell me it won't be long, when You call my name  
We shall be changed, come on Come on let's go, will cry, no I won't  
We're gonna be just like Jesus, when we get there  
Come on, hold on, it won't be long  
We're gonna be just like Jesus, when we get there Come on let's go, will cry no I won't  
We're gonna be just like Jesus, when we get there  
Come on, hold on, it won't be long  
We're gonna be just like Jesus, when we get there
