Blue Anemone

Fischer-Z

Of course i'm full of secrets
Acres of pain
How'm i gonna see you again
I'm running down your windows
And i'm staring at your face
The face of the blue anemone
First you must rest
And then you must cry
And oh
Come on back to me
I'll be the first in a long lonely line
Of Oh
Come on back to me's
Say you're not hurt - Say
You're just like you were - Say
You're just like you were - Say
You're my little girl
Of course i'm full of secrets
Acres of pain
How'm i gonna face you again?
I was so tied up in anger
That i missed the warning signs
Even when you were begging me
I've learned a lesson
But you paid the price
So please
Come on back to me
I am the first in a long lonely line
Of Oh
Come on back to me's
