

Nobody

Keith Sweat

I wanna tease you, I wanna please you
I wanna show you baby, that I need you
I want your body, 'til the very last drop
I want you to holler, when you want me to stop And who can love you like me? (Nobody)
Who can sex you like me? (Nobody)
Who can treat you like me, my baby? (Nobody)
Nobody baby (nobody)
And who can do it like me? (Nobody)
Who can give you what you need? (Nobody)
Who can do you all night long? (Nobody)
Nobody baby (Nobody) I want the night for me and you
So come here, baby, and let me do it to you
Don't be afraid, 'cause I won't bite
I promise to give it to you just the way you like And who can love you like me? (Nobody)
Who can sex you like me? (Nobody)
And who can lay your body down? (Nobody)
Nobody baby (Nobody)
And who can treat you like me? (Nobody)
Who can give you what you need? (Nobody)
And who can do you all night long? (Nobody)
Nobody baby (Nobody)
And the band keeps playin' on On on on and on on
On on on and on on
On on on and on on
Nobody baby (come on)
On on on and on on
On on on and on on
On on on and on on
Nobody baby I (Baby I) want you right now for my lover (Oh yes I do)
Place no one above ya (Oh yes I do)
If you need a love (If you need my love) I'll be right there
I'll be right there, baby (Oh yes I will) And who can love you like me babe? (Nobody)
Who can sex your body like me? (Nobody)
Who can do it like me, my baby? (Nobody)
No, no, no, no, no, no, no (Nobody but me)
Who can lay you down just like me? (Nobody)
Who can kiss you all over your body baby? (Nobody)
Who can laugh, who can laugh just crazy baby? (Nobody)
Oh yeah baby (Nobody)

I want to know who can love you like me babe? (Nobody)
Who can treat your body as good as me baby? (Nobody)
Who can do it do it just like me baby?(Nobody)
