Why

Air Supply

Why do we feel?
Do we hope?
Do we steal the years?
As long as we're together
As long as we're together
We will know
Why do we give?
Do we say?
Will you take my hand
And live with me forever?
If you live with me forever
We will know
Chorus:
Every day and night belongs to us
Every step we take will be
Just like the moment when this world
Was made for us
Me for you, and you for me
Why are we strong?
Are we weak?
Are we everything?

And meant for each other
We were meant for each other
That I know
Chorus:
Every day and night belongs to us
(Every day and night)
Every step we take will be
Just like the moment when this world
Was made for us
Me for you, and you for me
Chorus:
Every day and night belongs to us
(Every day and night)
Every step we take will be
Just like the moment when this world
Was made for us
Me for you, and you for me

Why do we give?
Why do we feel?
Why do we live?
Because we love
