Everything You Got

The Fuzztones

Why you hang around me, I ain't got a clue
I'm not the kind of guy who could ever, ever be true
Well if you ask me what I want
I'll take everything you gotDon't wait on my phone calls
I ain't got a dime
I live my life by one rule, child
You're out of sight, out of my mind
If you ask me what I want
I'll take everything you gotWell it's a drag babe, you feel the way you do
You're just a one night stand
But you'll never, ever see two
Don't wanna see you cry, that's not my scene
But if you try to pull me down, child I'm gonna get
mean Look out baby
Why you hang around me, I ain't got a clue
I live my life by one rule, child
You're out of sight, out of my mind
If you ask me what I want
I'll take everything you got
Want everything!
I want a diamond ring
Well I want your money, honey
I want your car
I want the world, babe
I want it all
Want everything!
