I told my self I would never work for a nigga
Fuck around and run it up

Fuck a runner, run it up
The fuck is you talking 'bout nigga?

Fuck a runner, run it up

Ain't asking no nigga for nothin'
How much money in that gutta? Hop out let the mafia make 'em give it up
All of my niggas is winners, your niggas pretenders, not even contenders
Come to my bando when it say do not enter
Jewelry below temperature, cold like December
Migo my family, yes I'm a member
If a nigga really want it, banana, I peel 'em
Actavis, sipping something discontinued
Pull up with choppas, I pop a nigga like a pimple
Thumb through that check, get adrenaline rush
I be like fuck around and run it up
Wanna do something, gotta get up and go get it
Money don't run, gotta run to the money (Monopoly)
Trappin' dabbin' is a sport
My diamonds water, swimming with the dolphins
Mustard Lamborghini nigga, catch up
Set the same niggas I hate drinkin' Cas
Call me Usian Bolt the way I run it up
Fuck a worker, be a boss, I'm the runner up
Remember they say I wouldn't make it
Now look at them, they want an autograph Fuck a runner, run it up
Fuck a runner, run it up
The fuck is you talking 'bout nigga?
The fuck is you talking 'bout nigga?
Fuck a runner, run it up
Fuck a runner, run it up
All of my niggas is one
All of my niggas is one
So that's more millions plus one
So that's more millions plus one
All of my niggas is wanted
All of my niggas is wanted
Fuck a runner, run it up
Fuck a runner, run it up
Thumb threw the hunnids, keep going
Thumb threw the hunnids, keep going Fuck a hater, get some money
A whole lotta money on money
They done gave the wrong young nigga money
I go get the money, got my nickname from the money
I never did no running, I was the kid who run shit
Probably pull up in some dumb shit, Mike Johnson I really run shit like back in '96
I got the dumbest wrist, my shit keep getting numb and shit

It's only one of this, I done fucked up my thumbs again counting this money Fuck a runner, run it up

Fuck a runner, run it up

The fuck is you talking 'bout nigga?

Fuck a runner, run it up

All of my niggas is one

All of my niggas is one

So that's more millions plus one

So that's more millions plus one

All of my niggas is wanted

All of my niggas is wanted

Fuck a runner, run it up

Fuck a runner, run it up

Thumb threw the hunnids, keep going
