You Are Everything

Vanessa Williams

You are, you are, everything, everything, oh
You are, you are, everything, everything, oh
You are, you are, everything, everything
Everything is you
Today I saw somebody who looked just like you
He walked like you do, I thought it was you
As he turned the corner, I called out your name
I felt so ashamed when it wasn't you, wasn't you
You are everything and everything is you
Oh, you are everything and everything is you
Oh, you are everything and everything is you
Everything is you
How can I forget when each face that I see
Brings back memories of being with you
I just can't go on living life as I do
Comparing each man with you
Knowing they just won't do, they're not you

Oh, you are everything and everything is you
Oh, you are everything and everything is you
Oh, you are everything and everything is you
Everything is you
You are, you are, everything, everything, oh
You are, you are, everything, everything, oh
You are, you are, everything, everything
Everything is you
You are everything and everything is you
Oh, you are everything and everything is you
Oh, you are everything and everything is you
Everything is you
You are, you are, everything, everything, oh
You are, you are, everything, everything, oh
You are, you are, everything, everything
Everything is you
