

# Don't Know What to Tell Ya

## Aaliyah

You wanna handcuff me  
But yo I don't know what to tell ya (don't know what to tell ya)  
You want my intimacy  
But yo I don't know what to tell ya (don't know what to tell ya)  
You wanna wall around me  
I swear I don't know what to tell ya (don't know what to tell ya)  
You want my lock and my key  
But yo I don't know what to tell ya (don't know what to tell ya) Incarceration what I'm facin'  
When I'm with you  
Your watchin' my every move  
Tryin' to pick up on some clues  
We play twenty questions  
Every time I walk in or out the door  
What do you bother for (what do you bother for)  
Get comfortable it's yours It's gonna take T-R-U-S-T to keep my L-O-V-E  
It's gonna take T-R-U-S-T to keep my L-O-V-E  
Cracking stressing and second guessing  
Many time and time again  
We go from lovers back to friends  
Got to put this to an end You wanna handcuff me  
But yo I don't know what to tell ya (don't know what to tell ya)  
You want my intimacy  
But yo I don't know what to tell ya (don't know what to tell ya)  
You wanna wall around me  
I swear I don't know what to tell ya (don't know what to tell ya)  
You want my lock and my key  
But yo I don't know what to tell ya (don't know what to tell ya) No justification for your actions  
Should have been somewhere relaxing  
Don't compare me to your last one  
I can't help it she was a fast one  
A sassy one I'm a classy one  
I can't keep them from getting at me hun  
Seems like that should make you happy hun It's gonna take (it's gonna take T-R-U-S-T to keep my L-O-V-E)  
It's gonna take T-R-U-S-T to keep my L-O-V-E  
Cracking I can't deny or lie I try to put up with you  
These insecurities everyday  
Pushing my love away hey You wanna handcuff me  
But yo I don't know what to tell ya (don't know what to tell ya)  
You want my intimacy

But yo I don't know what to tell ya (don't know what to tell ya)  
You wanna wall around me  
I swear I don't know what to tell ya (don't know what to tell ya)  
You want my lock and my key  
But yo I don't know what to tell ya (don't know what to tell ya) You wanna handcuff me  
But yo I don't know what to tell ya (don't know what to tell ya)  
You want my intimacy  
But yo I don't know what to tell ya (don't know what to tell ya)  
You wanna wall around me  
I swear I don't know what to tell ya (don't know what to tell ya)  
You want my lock and my key  
But yo I don't know what to tell ya (don't know what to tell ya) It's gonna take T-R-U-S-T to keep my L-O-V-E  
It's gonna take (it's gonna take T-R-U-S-T to keep my L-O-V-E)  
It's gonna take (it's gonna take T-R-U-S-T to keep my L-O-V-E)  
It's gonna take (it's gonna take T-R-U-S-T to keep my L-O-V-E)  
Cracking (cracking)
