

Here Comes The Sun (Francois K. Remix)

[Nina Simone](#)

Here comes the sun, little darlin'
Here comes the sun, I say
It's all right
It's all right Here comes the sun, little darlin'
Here comes the sun, I say
It's all right
It's all right Little darlin'
It's been a long, cold and lonely winter
Little darlin'
It feels like years since you've been here Here comes the sun, little darlin'
Here comes the sun, I say
It's all right
It's all right Little darlin'
The smiles are returnin' to the faces now
Little darlin'
It seems like years since you've been here, little darlin' It's been a long, cold, lonely winter
Little darlin'
Feels like years since you've been here (Here comes the sun) here comes the sun
Aren't you glad to see it?
I say, yeah
It's all right Here comes the sun, little darlin'
I say
It's all right, little darlin'
(Here comes the sun) here comes the sun, yeah
Here comes the sun
I say, Little darlin' (here comes the sun)
It seems like years since you've been here
Little darlin' here comes the sun, baby (here comes the sun) It's all right now (here comes the sun)
You can come on out now
And it's all right now (here comes the sun)
You can come on out now
Yes, it's all right, here comes the sun
