## **No Greater Love**

## **Fred Hammond**

There is no greater love, no greater love

Than the one You have for me, Lord

There is no greater love, no greater love

Than the one You have for meYour mercy, so tender

Erasing my transgressions

There is none greater

There is none greaterYour mercy, so tender

Erasing my transgressions

There is none greater There is no greater love, no greater love

Than the one You have for me

There is no greater love, no greater love

Than the one You have for me, LordYour mercy, so tender

Erasing my transgressions

There is none greater

There is none greaterYour mercy, so tender

Erasing my transgressions

There is none greater There is no greater love, no greater love

Than the one You have for me, Lord

There is no greater love, no greater love

No greater love Your love for me is forever

Your love for me is forever

To me there is none greater

To me there is none greater Your love for me is forever

Your love for me is forever

No greater, no greater

No greater, no greater Your love for me is forever

Your love for me is forever

To me there is none greater

To me there is none greater Your love for me is forever

Your love, there is none greater

No greater, no greater

No greater, no greater Your love for me is forever

Your love for me is forever

To me there is none greater

To me there is none greater Your love for me is forever

Your love for me is forever

No greater, no greater

No greater, no greaterYour love for me is forever

Your love for me is forever

To me there is none greater

To me there is none greaterYour love for me is forever
Your love, there is none greater
No greater, no greater
No greater, no greaterYour mercy, so tender
Erasing my transgressions
There is none greater
There is none greaterYour mercy, so tender
Erasing my transgressions
There is none greater
