

# Charon

## Hard Rock Ballads

And It seems as though  
I'm on my own  
And time transcends, oh!

And it seems I speak  
Like waters leak  
And I'm losing friends, oh!

And there'll be coins on my eyes  
There'll be coins on my eyes  
To pay Charon  
Before I let you near my son

And I don't feel well  
Oh, couldn't you tell,  
From the way I touch my face?

My thoughts are low  
And I cannot grow  
In this small space, oh!

But there'll be coins on my eyes  
There'll be coins on my eyes  
To pay Charon,  
Before I let you near my son

And I ain't no,  
And I ain't no,  
And I ain't no Hercules  
I ain't no Hercules
