

Too Late Now

[Ricky Martin](#)

Too late now to forget your smile
The way we cling when we danced awhile
Too late now to forget and
Go on to someone new Too late now to forget your voice
The way one word makes my heart rejoice
Too late now to imagine
Myself away from you All the things we've done together
I relive when we're apart
All the tender fun together
Stays on in my heart How could I ever close the door
And be the same as I was before?
Darling, no, no I can't anymore
It's too late now All the things we have done together
I relive when we're apart
All the tender fun together
Stays on in my heart How could I ever close the door
And be the same as I was before?
Darling, no, no I can't anymore
It's too late now Too late now
