Resentment

Union Town

I wish I could believe you
Then I'll be alright
But now everything you told me
Really don't applyTo the way I feel inside
Loving you was easy once upon a time
But now my suspicions of you have multiplied
And it's all because you liedI only give you a hard time
'Cause I can't go on and pretend like
I haven't tried to forgive this
But I'm much too full of resentmentJust can't seem to get over the way you hurt me
Don't know how you gave another
Didn't mean a thing, no
The very thing you gave to meI thought I could forgive you
And I know you've changed
As much as I wanna trust you
I know it ain't the same
And it's all because you liedI only give you a hard time
'Cause I can't go on and pretend like
I haven't tried to forgive this
But I'm much too full of resentmentI may never understand why
I'm doing the best that I can, and I
I tried and I tried to forgive this
And I'm much too full of resentmentI'll always remember feeling
Like I was no good
Like I couldn't do it for you
And your mistress could
And it's all because you liedLoved you more than ever
More than my own life
The best part of me I gave you
Yeah, I would sacrifice
And it's all because you liedI only give you a hard time
'Cause I can't go on and pretend like
I tried and I tried to forgive this
But I'm damn too full of resentmentI know she was attractive
But I was here first
Been riding with you for six years
Why did I deserve
To be treated this way by you, you?I know you're probably thinking
What's up with B?

I've been crying for too long
What did you do to me?I used to be so strong
But now you took my soul
I'm crying, can't stop crying
Can't stop cryingYou could've told me you wasn't happy
I know you didn't want to hurt me
Look what you've done to me now
I gotta look at her in her eyes
And see she's had half of me
How could you lie?
