

Hurts So Bad

[Anthony Callea](#)

You're an obsession now
Night after night I think of you
A little mysterious, you're hot like the sun
But you're cool like the moon It would be easier
If I could only read your mind
Not knowing is killing me
Are you trying to be cruel 'cos I'm dying inside Do you know what you're doing when you walk like that?
Do you mean what you're saying when you talk like that?
Did you steal my heart 'cos you knew you could?
How could something feel so good when it hurts so bad? Are you insatiable?
How many hearts are on your list?
When will you let me know?
Am I touching your soul when I'm kissing your lips? Do you believe in love
Or are you making other plans?
You're making it hard for me
I know what I'm feeling but I don't understand Do you know what you're doing when you walk like that?
Do you mean what you're saying when you talk like that?
Did you steal my heart 'cos you knew you could?
How could something feel so good when it hurts so bad? What can I do to make you understand?
You've got to know you're my one and only
You're all I need, baby, all that I have
How can it hurt so bad? Do you know what you're doing when you walk like that?
Do you mean what you're saying when you talk like that?
Did you steal my heart 'cos you knew you could?
How could something feel so good when it hurts so bad?
