

Something More

[Jamie Lynn Hart](#)

Slow down, take it easy
Take a deep breath and settle down
Don't talk, don't say anything
Gotta just be here, gotta just feel this
Lie down, it sure gets heavy
Carrying the weight of the whole world
So I decide not to burden
Myself anymore
So if I just breath, will it get easier?
I'm headed for a war
I know there's something more
Bright light, the warmth of knowing
That I am a part of this, it's just a game
So close your eyes and just imagine
'Cause this is your life love, to do what you will
So if I just breath, will it get easier?
I'm headed for a war
I know there's something more
And if I believe in it
My head will obey my heart
I'm opening the door
I know there's something more
Something more, something more... yeah yeah, whoa, whoa
Something more, something more... yeah yeah, whoa, whoaoooo
So if we just breath
I think it gets easier
I'm headed for a war
I know there's something more
And if I believe in it
My head will obey my heart
I'm opening the door
I know there's something more
Something more, something more... yeah yeah, whoa, whoa
Something more, something more... yeah yeah, oh, ohooo
If I just breath, will it get easier?
I'm headed for a war
I know there's something more
If I believe in it
My head will obey my heart
I'm opening the door
I know there's something more
