Slick Shoes

I've walked this road a thousand times before
And never found what I was looking for
All the time I stumble and I fall
Still here I stand trying to be freeYes, I try to get on with my life
Taking one step at a time
I still can't flyI try so hard to please but never compromise
It took you to make me realize
That I'm not by myself
I want you to be in my life'Cause I know you'll never say goodbye
For you I'd walk a thousand miles
I still can't fly, I still can't fly
