

Always Be With You

Human Nature

ooh, baby
How you make me feel like you do
You're so cool
A lifetime's worth my waiting You baby
When you know the lovin' is true
You're so fine
That I just can't stop dancing Baby tell me can you feel it
Don't put up a fight
Destiny is waiting in the starlight [CHORUS]
Baby if I had one wish
It would be to dance like this
And to hold you tight, all night
And always be with you Try baby,
Try and understand what I do
Don't you cry
'cause you're all I'm wishing for baby Baby tell me can you feel it
Don't put up a fight
Destiny is waiting in the starlight [CHORUS] Then Baby if my wish came true
I would stay and dance with you
