

Kissin' U

Miranda Cosgrove

Sparks fly
Itâ€™s like electricity
I might die
When I forget how to breathe
You get closer and thereâ€™s no where
In this world Iâ€™d rather be

Time stops
Like everything around me
Is frozen
And nothing matters but these few moments
When you open
My mind to things Iâ€™ve never seen

Cuz when Iâ€™m kissing you my senses come alive
Almost like the puzzle piece Iâ€™ve been trying to find
Falls right into place youâ€™re all that it takes
My doubts fade away when Iâ€™m kissing you

When Iâ€™m kissing you it all starts making sense
And all the questions Iâ€™ve been asking in my head
Like: "Are you the one?"
"Should I really trust...?"
Crystal clear it becomes
When Iâ€™m kissing you

Past loves
They never got really far
Walls of pictures Iâ€™ve got in my heart
And I promised I wouldnâ€™t do this
Till I knew it was right for me

But no one
No guy that I met before
Could make me feel so right and secure
And have you noticed?
I lose my focus
And the world around me disappears

Cuz when Iâ€™m kissing you my senses come alive

Almost like the puzzle piece Iâ€™ve been trying to find
Falls right into place youâ€™re all that it takes
My doubts fade away when Iâ€™m kissing you

When Iâ€™m kissing you it all starts making sense
And all the questions Iâ€™ve been asking in my head
Like: "Are you the one?"
"Should I really trust...?"
Crystal clear it becomes
When Iâ€™m kissing you

Iâ€™ve never felt nothing like this
Youâ€™re making me open up
No point in even trying to fight this
It kinda feels like itâ€™s love

Cuz when Iâ€™m kissing you my senses come alive
Almost like the puzzle piece Iâ€™ve been trying to find
Falls right into place youâ€™re all that it takes
My doubts fade away when Iâ€™m kissing you

When Iâ€™m kissing you it all starts making sense
And all the questions Iâ€™ve been asking in my head
Like: "Are you the one?"
"Should I really trust...?"
Crystal clear it becomes
When Iâ€™m kissing you
