

# Wicked Gil (Live Acoustic)

## Band of Horses

Hate Gil, really now  
Hate you because  
Go tippy toe  
Shut off to the world  
Shut off to all, you ghost  
Early told a lie  
Afraid to be blind  
Now go for a while  
Shut off the world  
Shut off to all  
I'm yours  
I'm yours  
Helping evil people to say things they show  
Said once before  
I know evil people who say things  
They don't know, oh  
Begged Gil, really, why?  
Stay through the night  
I'm here for a while  
Shut off to the world  
Shut off to all  
I'm yours  
I'm yours
