While The Feelings Good

B.J. Thomas

Take your gown out of the closet
Put it on that's why I bought it
Come stand in front of me and let me see
Take the warm smile that you're wearing
Place it on these lips that's burning
To share this fire you've built inside of me
Turn the light down in the bedroom
Pull the sheet down from the pillow
When we're like this
Love's easy understood
Let's walk through this house we live in
To the room we always love in
And let's love each other while the feeling's good

With all my will I promise
With all of me I'll love you
This feeling that I've got
Just grows and grows
I can't stop this wanting you
And I can't stop this needing you
No more than I can stop
The wind that blows
I'll hold to your sweet loving
Long as we both have this feeling
I'll love you every way I know that's good
Let's walk through this house we live in
To the room we always love in
And let's love each other while the feeling's good

While the feelings good
Let's keep it going
While the loving's good
Let's keep it growing
Let's walk through this house we live in
To the room we always love in
And let's love each other while the feeling's good
