

AcÂ; Viva La Gloria!

Green Day

Hey Gloria, are you standing close to the edge?
Look out at the setting sun
Brink of your vision
Eternal youth
Is the landscape of a lie The cracks of my skin can prove
As the years will testify
Say your prayers and light a fire
We're going to start a war
Your slogans a gun for hire
It's what we waited for Hey Gloria This is why we're on the edge
The fight of our lives been drawn to
This undying love Gloria, viva la Gloria
You blast your name
In graffiti on the walls
Falling in broken glass and
Slashing through these spirits
I can hear it like a jilted crowd Gloria, where are you Gloria?
You found a home
In all your scars and ammunition
You made your bed in salad days
Amongst the ruins
Ashes to ashes of our youth She smashed her knuckles into winter
As autumns wind fades into black
She is the saint of all the sinners
The one that's fallen through the cracks
So don't put away, your burning light Gloria, where are you are Gloria
Don't lose your faith
To you lost naivety
Weather the storm and don't look
Back on last November
When your banners were burning down Gloria, viva la Gloria
Send me your amnesty down
To the broken hearted
Bring us the season
That we always will remember
Don't let the bonfires go out So Gloria,
Send out your message of
The light that shadows in the night.
Gloria, where's your undying love?

Tell me the story of your life, your life!
