

# Enduring Love

Yannick Bovy

I took a train, a plain, a boat, a coach to cross the world  
For the love of a girl  
Put up a risk, a fight, a fall  
I lost my money, spend it all  
For the love of a girl  
I hate to say that I've been used, abandoned, broken, bruised  
But when I come what I want I'm not confused

All I want  
All I want is a pure and ??  
Get a love  
A never ending everlasting love, love, love  
I'm searching for enduring  
Talking 'bout enduring love  
Love, love

I'm taking numbers  
Taking names don't get me wrong not playing games  
I need the love of a girl  
Send me true the ring, give me hell, give me the finger  
I don't care  
I need the love of a girl  
Get promised fame, got promised fame  
But I got what it takes  
If you're the one I'm gonna show in a thousand ways

All I want  
All I want is a pure and ??  
Love  
A never ending everlasting love, love, love  
I'm searching for enduring  
Talking 'bout enduring love

All I want  
All I want is a pure and ??  
Get a love  
I'm searching for enduring  
Talking 'bout enduring

All I want

All I want is a pure and ??  
Get a love  
A never ending everlasting love, love, love  
I'm searching for enduring  
Talking 'bout enduring  
Love
