We're Gonna Boogie

Primal Scream

You're a demon child
You're a demon child
Crawl 1000 miles to see your death's smile
A demon child
You're the one I want
You're the one I want
The Atomic Bomb, the golden dawn
You're the one I want
I'm the garbage man
I'm the garbage man
Sticky fingers in your trashcan
I'm the garbage man
Gonna dig your ditch
Gonna dig your ditch
You can be my witch, I'll be your exorcist
Dig your ditch, dig it, baby

Gotta hit the road
Gotta hit the road
Steal a Mustang Ford, drive her coast to coast
Gotta hit her road
We're gonna boogie
We're gonna boogie
We're gonna boogie
All night long
We're gonna boogie
We're gonna boogie
We're gonna boogie
All night long
All night long
All night long
All night long
...
